# Gills & Co

Gills & Co has been awarded and named on the Star Wine List - a guide to great wine bars and wine restaurants around the world.

We've hand selected every wine on this menu to bring you an extensive range of interesting grape varieties, and vintages, from producers across the globe.

We try to keep our wine list as up to date as possible as some of our wines are from private collections and so are limited in stock.

If you spot a mature wine you would like to try on your next visit, please call us in advance so we can decant for you ahead of time.

Our job is to talk you through the wines available, so if you have any questions we LOVE talking about wine, just ask a member of our team.

We encourage you to share your experiences with other customers, so if you have something to say about the wine you've tried, add it to our tasting journal!

We hope you enjoy trying our range as much as we have during our selection.

*Team Gills*

*We're a hybrid wine shop and bar. For take home wines, we offer a **£5 discount** across each bottle.*
